NW CAPE was formed in May 2014 by Nurse Practitioner post-graduate training leaders, under the umbrella of the National Nurse Practitioner Residency and Fellowship Training Consortium. The mission of NW CAPE is to facilitate collaboration among advanced practice post-graduate training programs, with the goal to promote high quality, robust training programs that ultimately benefit the vulnerable populations we serve.

Join us for an opportunity to explore advanced practice residencies and fellowships in the PNW!

**RSVP:** Your RSVP is appreciated but not required. To RSVP, please visit <https://www.tfaforms.com/5160176> scan the QR code.
